250

blueberry, cassis, exotic spice, dark fruit

Sommelier's Suggested Pairing: 8oz Filet Mignon

Nestled in the iconic Sta. Rita Hills AVA of Santa Barbara County, Sea Smoke Estate Vineyards has become one of California's most revered producers of Pinot Noir and Chardonnay. Founded in 1999 by Bob Davids, the estate takes its name from the ethereal marine fog ("sea smoke") that regularly sweeps across the vineyard, cooling the slopes and creating ideal conditions for Burgundian varieties.

Here, vines grow in organic and biodynamic plantings on south-facing hillside bluffs with cool climate influence, dramatic diurnal shifts, and rich soils all of which contribute to intensely expressive wines that balance power with finesse. Sea Smoke's portfolio remains highly allocated and sought after, embodying both craftsmanship and terroir-driven distinction.
